Farm Study Tour 2022

Date	Activity	Overnight
DAY 1 Sun, Aug 21	<p>MAXIMUM 24 PASSENGERS: THIS WILL FILL UP QUICKLY</p> <p>Arrive in Cairns, the gateway to northern Australia. Transfer to the hotel before a get together with drinks and nibbles as the sun goes down.</p> <p>Of course, there's always the option to arrive early and spent some time at Port Douglas, on the reef or in the Daintree. There are plenty of options.</p>	Cairns
DAY 2 Mon, Aug 22	<p>We leave Cairns and climb up to the Atherton Tableland along the famous Gillies Highway with a brief stop at one of a chain of beautiful crystal clear crater lakes once we reach the top. Then it's time for a cuppa as we visit the Nerada tea plantation, the biggest in Australia. We'll have a tour of the tea plantation and the factory which supplies all of the Nerada tea in Australia, then a well earned Devonshire tea.</p> <p>At nearby Malanda, we'll have lunch at the biggest timber pub in Australia, built in 1911 where we will meet up with local farmer Dougal Millar before we tour his plantation of 5000 avocado trees.</p> <p>Later in the afternoon, we'll continue through to the Undara Volcanic Park which has some of the most impressive larva tubes in the world.</p> <p>https://www.neradatea.com.au/visit-us</p>	Undara Experience 
DAY 3 Tues, Aug 23	<p>Guided tour of the larva tubes in the morning before a short drive to the property St Ronan which is being developed by Gwydir Valley based Sundown Pastoral Company as a cattle and cropping operation with an emphasis on pioneering cotton production in the region.</p> <p>It will be lunchtime when we leave and luckily, just up the road is Pinnarendi Station Stay & Cafe whose homemade sourdough pizzas and other delicacies are renowned across the north, and they boast of having the best coffee anywhere. We shall see.</p> <p>In the afternoon, we will continue through to Atherton with maybe a farm visit on the way. This evening we get the chance to sample that icon of Australian country town culinary excellence – the Chinese feed. Gluten free options available.</p>	Atherton
DAY 4 Wed, Aug 24	<p>In the morning we will catch up again with Dougal Millar who will show us around for the day. The first visit will be with Laurie Masasso who farms a variety of crops and also runs a packing shed operation for other clients including Dougal. Laurie will give a great insight into the operation of the supply chain from north Queensland farms to southern supermarkets. The range of crops grown on the Atherton Tablelands is truly amazing. There are 39 large agricultural industries on the Tablelands including sugarcane, bananas, avocados, dairy and beef cattle, mangos, potatoes, citrus and papaya, with cotton emerging as a potential new crop.</p> <p>On the way to Mareeba, we'll visit a client of local farm supply company Nutrien. This farmer has built a major farming operation from nothing to become one of the biggest pawpaw suppliers in the country.</p> <p>We will have lunch at Kuranda where we will take the world famous Kuranda Skyrail, over the tropical rainforest with spectacular views of the Barron River and a different perspective of the lush jungle, as we wend our way back to Cairns. Free evening to sample some of the classic Cairns restaurants.</p>	Cairns 

Date	Activity	Overnight
DAY 5 Thur, Aug 25	<p>A leisurely start before we head to the airport for a flight across the peninsula and the Gulf of Carpentaria to Gove (Nhulunbuy) in north east Arnhem Land. Nhulunbuy is the home of a large bauxite mine but is also the traditional homeland of the Yolgnu people who are especially renowned for their art and music. It is often acknowledged as the birthplace of the didgeridoo and the group Yothu Yindi.</p> <p>When we land at Gove, we will split into two teams because our island retreat is so exclusive, it can only take 12 at a time. Team A will go into town and take a boat offshore (15 minutes) to the remote Banubanu wilderness retreat.</p> <p>Team B will travel to the world famous Yirrkala Art Centre before some touring around this amazing part of the world and then dinner overlooking the Arafura Sea.</p>	Gove Banubanu Beach Retreat 
DAY 6 Fri, Aug 26	<p>Time to swap around today.</p> <p>Team B: Anyone who has opted for a half day of fishing will have an early departure to the Nhulunbuy boat ramp (6.30am) and be dropped off at the island in time for lunch with the whole group. Those not going fishing will have a more leisurely transfer to the island (8.30 departure) along with Team B's luggage.</p> <p>Team A: Relax in the morning, then lunch with Team B before departing back to the mainland (3.30pm arrival) and transfer to the Walkabout Lodge.</p>	Gove Walkabout Lodge
DAY 7 Sat, Aug 27	<p>Team A: will have a morning exploring Nhulunbuy then travel to the Yirrkala Art Centre with a picnic lunch before transferring to the airport for the flight to Darwin.</p> <p>Team B: can relax on the island for a little longer, before transfer back to the mainland at around midday and then to the airport with a packed lunch to eat on the way.</p> <p>If, by some miracle, all these arrangements work, we will all join up again at the airport for the flight to Darwin.</p> <p>We will have time to settle in at our hotel on the revamped Darwin Waterfront before we head to the Darwin Sailing Club for a spectacular tropical Darwin sunset over the water and dinner.</p>	Darwin
DAY 8 Sun, Aug 28	<p>We'll organise a morning tour to the agricultural precinct of Humpty Doo with lunch at the famous Humpty Doo Hotel.</p> <p>Alternatively, you can opt for alternatives such as Kakadu tours, crocodile jumping tours on the Adelaide River or beautiful Litchfield National Park.</p> <p>Free evening, and our hotel is located near to a swag of good restaurants. The famous Mindil Beach markets are also open for anyone who has any energy left, although Sunday is not the best market night.</p>	Darwin
DAY 9 Mon, Aug 29	<p>Time to look at some more farms. We will make an early start to visit famous Tipperary Station and look at their cattle and cropping operations including their recent foray into cotton production.</p> <p>After our packed lunch under the shade of a suitable tree, we will visit and talk to other pioneering cotton growers in the region and get an update on the plans for a new gin in the area.</p>	Katherine

Date	Activity	Overnight
DAY 10 Tues, Aug 30	<p>8am departure for the morning cruise on the Katherine Gorge then a farm visit near Katherine before we head west and watch the country change into a Kimberley landscape and then enjoy some real country hospitality at Timber Creek. The area has some amazing history and nearby is the Victoria River, one of the most beautiful in Australia.</p>	Timber Creek
DAY 11 Wed, Aug 31	<p>We will visit the massive Auvergne cattle station near the Western Australian border. Auvergne covers over 414,000 hectares and along with the associated Newry and Argyle Downs Stations, can carry about 50,000 head of cattle. Several watercourses run through the property including the Bullo River, Baines River, East Baines River, Blackfellow Creek and Snake Creek with the Victoria River forming the northern boundary.</p> <p>Auvergne was established in 1886 and has a colourful history. One of the first station managers was shot dead in 1892 during a game of cards and the perpetrator was the first person legally executed in the Northern Territory.</p> <p>We'll spend the morning at Auvergne and after another packed lunch under a shady tree, we will cross the Western Australian border (turning clocks back 90 minutes) and continue to the massive Lake Argyle to get a panoramic view of the lake and maybe a visit to the Durack Homestead museum which was dismantled and rebuilt stone by stone as the lake waters rose, before an afternoon cruise down the Ord River to Kununurra.</p>	Kununurra 
Day 12 Thurs, Sept 1	<p>The East Kimberley is not only home to Lake Argyle and the Ord Irrigation Area, it is a base to explore arguably the best scenic areas of the Kimberley.</p> <p>This morning we will visit some of the highlights of the Ord such as Ivanhoe Crossing and a visit to the Research Station which has been the focus of much of the agricultural development.</p> <p>NOTE: An alternative this morning would be to take a flight to the Bungle Bungles.</p> <p>After lunch, we'll board our charter flights for a two hour aerial tour which gives a birds-eye overview of the irrigation area, Lake Argyle and the diversion dam, the Lower Ord and Wyndham with the late afternoon sun giving an unforgettable panorama of the Cockburn Ranges.</p>	Kununurra
Day 13 Fri, Sept 2	<p>Full day of farm visits in the Ord, including the latest Stage 2 area. We will discuss cropping opportunities with a range of local farmers and other experts.</p> <p>We'll talk with Kimberley Agricultural Industries, the developers of Ord Stage 2, visit a Sandalwood plantation and catch up with farmers growing crops such as hay, corn, cotton, rockmelons, honeydews, pumpkins, chickpeas, Borlottis – just about anything.</p> <p>A highlight (for some) will be lunch at The Hoochery, a rum distillery developed by local farming legend Spike Dessert who passed away 4 years ago. The award winning distillery is the ultimate in farm diversification and is still operated by Spike's family.</p> <p>Dinner will be at the sensational Pumphouse restaurant, with an unrivalled position on the banks of the Kununurra Diversion dam. The Pumphouse produces internationally renowned food, with a culinary philosophy that focuses very strongly on the fresh local produce of the Kimberley region.</p>	Kununurra 

Date	Activity	Overnight
Day 14 Sat, Sept 3	<p>We fly to Broome this morning. After a quick lunch at an iconic Broome eating spot, we head to the heart of Chinatown for a fascinating 2 hour Pearl Luggers tour which gives an insight to Broome's unique heritage of a hazardous industry which drew people from all over the world to risk their lives in the pursuit of the riches beneath the azure waters of Broome.</p> <p>Later we will freshen up at our hotel before dinner with one of the best views in Broome, looking over Roebuck Bay from the Mangrove Hotel.</p>	Broome
Day 15 Sun, Sept 4	<p>This morning, we head north of town to the Willie Creek Pearl Farm nestled on a tropical inlet of the Indian Ocean. You will learn about the collection and spawning of oysters in the purpose-built hatchery, appreciate the delicate operations of seeding and harvesting oysters and understand the value of pearls and the creation of stunning jewellery.</p> <p>A highlight of the tour will be cruising Willie Creek's calm azure waters and view live oysters suspended in their natural environment.</p> <p>After lunch, we will head back to Broome for a tour of the town including the wharf, the Japanese cemetery and Gantheaume Point.</p> <p>Some free time in the afternoon before our farewell dinner at Zanders restaurant which has the best possible view of the sunset over Cable Beach.</p>	Broome 
Day 16 Mon, Sept 5	<p>Depart for home, do some independent Kimberley touring or spend the next 3 days exploring the spectacular Buccaneer Archipelago, based on Cockatoo island and including the Horizontal Waterfalls, Silica Beach, Croc Creek and more. SEE BELOW</p>	
	<p>Broome/Cockatoo Is/Horizontal Waterfalls</p> <p>We are holding bookings for a 3 day/2 night guided tour through the magical west Kimberley Buccaneer Archipelago.</p> <p>Sept 5: Early morning departure for a scenic flight to Cockatoo Island, in the centre of the Buccaneer Archipelago. There we board a fast boat to the Horizontal Waterfalls, visiting some of the best scenery in Australia on the way. Return to Cockatoo Island in the afternoon in time to enjoy the infinity pool and dinner at the history-rich Clubhouse.</p> <p>NOTE: This is on a neap tide, so you won't see the full force of the "Horis" but it is still an amazing experience in a spectacular part of the world.</p> <p>Sept 6: A full day of exploring the creeks, swimming holes and unbelievable beaches of the Buccaneer Archipelago with Kingfisher Charters aboard the 15.5 metre Cape Voltaire.</p> <p>Sept 7: Plenty of time to relax and explore the island before a flight back to Broome.</p> <p>Cockatoo Island: https://cockatoois.com</p> <p>Horizontals: https://gohorizontalfallstours.com.au</p> <p>Kingfisher Charter: https://www.kingfishercharterswa.com</p> <p>Limit of 12 for this add-on</p>
